

# Rest easy. Your stay is sustainable.

This hotel has committed to provide you a **Responsible Stay** through efforts focused on energy efficiency, waste reduction, water conservation, and responsible sourcing.

# Our Commitment to Sustainability Includes:

Optimizing **energy efficiency** through operational improvements and adoption of clean energy technologies.

Ensuring the reduction of **water usage** by implementing water-efficient practices in core areas like laundry, food and beverage, and landscaping.

Investing in **waste reduction** programs and new, innovative alternatives to reduce, reuse, and recycle waste across our properties.

**Sourcing responsibly** and prioritizing sustainability in supply chains to prevent harmful environmental and social impacts.

**RESPONSIBLE  
STAY**
